DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 4-7 and 9-11 are allowed over the prior art.
2. The following is an examiner's statement of reasons for allowance: regarding claim 1, the primary reason for the allowance of the claim is due an assembly comprising a probe performing horizontal movement by deflecting within a first flange area accommodating horizontal deflection of the probe and deflecting within a second flange area accommodating horizontal deflection of the probe. Since claims 5-6 depend from claim, they also have allowable subject matter.

Regarding claims 4, 7 and 9, the reason for the allowance of the claims has been presented in the Office Action mailed on Oct. 20, 2004.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
